11 Seat Electric Classic Cart

**This is not a road vehicle. It has been designed principally for non-public road use. Compliant for conditional or limited access registration only.*

The E-CAR Classic features a classic roadster design fibreglass body over the standard E-car chassis and mechanicals. Models accommodate 11 adults in style and comfort. The E-Car Classic provides efficient, reliable and durable transport and is a standout in gated communities. The cart is popular as a stylish VIP transporter at reception centres, wedding chapels, resorts and retreats.

Outstanding Specifications & Exceptional Warranty

Based on advanced German engineering and design all e-car models feature the industry's leading U.S.A. and European brand electrical and mechanical components and are backed by an exceptional warranty.
