LT-S8.X

Electric Sightseeing Cargo Utility Cart

**This is not a road vehicle. It has been designed principally for non-public road use. Compliant for conditional or limited access registration only.*

Designed for resorts, theme parks, nature parks and gardens, hotels and airports. In fact, anywhere a quiet, stylish, efficient form of the electric utility is required. The E-Car S Series Heavy Duty Utility has a range of 90 km. Fitted standard with a rear tray measuring 4650 x 1480 x 2100mm, full lighting kit, hydraulic brakes, indicators & horn, windscreen and wiper, U.V. resistant metallic paint finish, mag wheels and two large side-mounted rearview mirrors.

Outstanding Specifications & Exceptional Warranty

Based on advanced German engineering and design all e-car models feature the industry's leading U.S.A. and European brand electrical and mechanical components and are backed by an exceptional warranty.

2 YEARS on electrical and mechanical components

2 YEARS on batteries

Choice of Six Standard Colours

* Other Colours available by Special Order (Minimum Quantities may apply)

Address: 7/42 Export Dr, Molendinar QLD 4214	Website: www.ecargolf.com.au	Enquiries: info@ecargolf.com.au
