## OUR STORY

A professional ballet dancer turned graphic designer, Katie Morone founded *Line & Kind Paper Co.* in 2019 out of a need for self expression. As a dancer and freelance graphic designer she constantly helped others bring their stories to life. Through innumerable stolen moments *Line & Kind* turned into the creative, expressive outlet that grew from passion project to small business. With a love for line-based illustration, thoughtful expressions, and muted color palettes *L&K* aims to create *Simple Designs for Complex Sentiments.*
