Re: Partnership Opportunity: Sponsorship Booth at Our Youth Events

Dear Local Business Owner,

I hope this letter finds you well. As the owner of ALM Youth Sports, Education & STEAM Programs, I am reaching out to invite your esteemed business to become a vital part of our upcoming monthly youth events in the community.

Our events aim to provide a safe and enjoyable space for local youth to engage in sports, recreational activities, and interactive fun days – Free of Charge. In addition, we are devoted to facilitating networking opportunities for local businesses to connect with families and the broader community.

We believe that your participation as a sponsor would be beneficial to both your business and the local community. By sponsoring a booth/table at our local event, you would have the opportunity to showcase your products and services directly to a diverse audience of parents, caregivers, and local residents. This presents an excellent chance to raise awareness of your brand and foster meaningful connections with potential customers and partners.

As a sponsor, your business will receive prominent recognition in our event promotions, including social media shout outs / tags, event signage, and verbal acknowledgments during the event. Your brand will be associated with supporting a positive, community-focused initiative, highlighting your commitment to the well-being of local youth and families.

Furthermore, by partnering with us, you will demonstrate your dedication to corporate social responsibility and community engagement, thereby enhancing your reputation as a socially conscious and caring business within the local area.

We believe that this partnership presents a mutually beneficial opportunity, and we are open to discussing how we can tailor the sponsorship package to best suit your business objectives and enhance your involvement in our events.

We have Packages as low as \$50 a table for the event – no long term Commitment and no Obligations.

Package 1:

Cost: \$75 per event

Includes:

- One table at the event to showcase products or services
- Business logo and information featured on our event website with a backlink to your business website

Package 2:

- Business logo and information featured on our event website with a backlink to your business website for all three events
