RBM Twisted Little Star

RBM Twisted Little Star

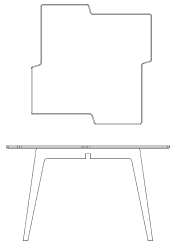

It's playful name alone can make you happy. Twisted Little Star is a table with many qualities. Its unique and smart shape will stimulate the atmosphere of any office, library, canteen or meeting room. Designed to bring people closer together, several tables can be connected like a jigsaw puzzle in order to create a larger unit. When not in use chairs can be tucked away under its edge. This is pure craftsmanship.

A multiplex table top surface available in white or in other laminate colour or oak veneer. The table comes with legs in solide oak, dark stained or white stained colours.
