- Reset Button
- Overload protected
- Illuminated on/off switch
- Conforms to all South African National Standards

12-Way Multi-Plug with Medium Surge Protection

This medium surge protected 12-way Multi -plug has 5 Euro slots, 1 Schuko socket and 6 x 3 pin sockets. It converts your single plug point into multiple sockets. The extension cord allows you to extend your reach by 0.5m.

What is a Surge?

A surge is an abnormal but temporary high voltage on the electrical mains caused by non-direct lightning strikes or from noise possibly produced by the use of heavy duty appliances, heavy duty machinery or large power tools. Don't risk losing your valuable equipment through surges, protect them with the Surge Safe Adaptor.
