

# SFA

*Seeds for Africa*

## Mustard Greens

First you get your pot. Then you bury the seeds deep in the soil (around 10 to 15mm).

Add water. It will take 2 or 3 weeks to show a sign of growth.

Then you wait 3 or 4 weeks and it will show signs of extreme growth.

Add water. In a week you will put your greens in the ground.

In 2 weeks you will have delicious greens to eat.

Happy Planting!
