

Leica DISTO™ D2

The small partner for indoor applications

Leica DISTO™ D2 – The small partner

The compact and handy base model was specifically designed for indoor applications. Shortcut keys for addition, subtraction, area and volume calculation make measuring fast and very reliable. As with all Leica laser distance meters, the laser dot is clearly visible.

Featured with

- Shortcut keys for frequently used functions
- Illuminated 3-line display
- Flip-out end-piece
- Stake out function
- Time delay release

- when it has to be **right**

Geosystems

Small and handy

Thanks to its ergonomic and compact design with soft grip, the Leica DISTO™ D2 sits securely in your hand and fits into any pocket.

Flip-out end-piece

Measure from edges or corners - with the flip-out end-piece you are equipped for any measuring situation.

Clear display

The results are shown on a 3-line display. The illuminated display is easily readable, even in the dark.

Applications

- Interior architect
- Drywall installer
- Decorator
- Electrician
- Floor layer
- Furniture retailer
- Refrigeration/heating engineer
- Plasterer
- Joiner
- Painter
- Bathroom installer
- Others
