

Since 1979, Earth Animal has been on a mission to preserve and enhance quality of life for animals, people, and the Earth. We do this by offering **another way™** – a more humane, natural and effective way to change things for the better, one Earth animal at a time. For 41 years, Earth Animal has relied on its relationships, partnerships, and support from an ever-growing group of retailers to help achieve this purpose. We remain strongly committed to these partners and continue to bolster and promote their efforts to help inform and educate our collective customers on this mission.

Earth Animal also recognizes the growing use of eCommerce and online platforms by our retail partners to market, inform, and educate these customers. To continue this support and partnership, minimize cross-channel conflict, and ensure our brand, product quality, and guarantee; Earth Animal has unilaterally adopted this **Earth Animal Pricing Policy**.
