

JEEVES WET-RATED KIT

2021.10

The Jeeves Wet-rated Kit is a UL certified upgrade kit that allows for the installation of any Jeeves towel warmer in a 'wet area.' These include but are not limited to above a bathtub, in a shower alcove or walk-in shower stall, or in a wet room. Following proper installation, the wet-rated kit ensures any Jeeves towel warmer is safe to use in these areas.
