# POOL TABLE
DINING-TOP DOLLY

The Legacy Dining Dolly offers a convenient way to store your table tennis conversion top or multiple piece dining top. The versatility this product offers is like no other in the industry. Place the wheels on the longer frame to conveniently store your tabletop accessories under your billiard table, or move the wheels to the shorter frame to erect the Dining Dolly and store your accessories vertically. Includes a safety securing strap, and a storage mesh bag for all your table tennis accessories. Heavy-duty casters enable the product to easily roll over carpet or any floor surface. This dolly offers a unique and practical alternative for storing your game table or dining top accessories.
