

HARPETH

82" BAR

The Harpeth Bar is a must have for any rustic style game room. This incredible looking piece features all wood construction with ash or pine wood grain. Plenty of seating is available at this 82" wide bar with a foot rest and room for people to sit at either end. The bar also features plenty of storage along with an ice well. The sturdy construction along with its contemporary rustic look will ensure this piece never goes out of style. This item can be married with any of the other items we offer in our Rustic Series including several models of barstools.
