

SHUFFLEBOARD REPLACEMENT PUCKS

Pucks measure 2 5/16" in diameter
Set includes 4 black pucks, 4 red pucks

Part Number: 97598

Chrome plated and polished to a beautiful finish, our shuffleboard pucks are made from heat treated hardened steel for extra durability and strength. Legacy's pucks are designed to provide you years of enjoyment and we promise it will take your game to another level!

SHUFFLEBOARD BLACK ICE WAX

NOTE: Shuffleboard wax beads must be used for the pucks to slide down the playing surface. Never slide a puck with out applying wax beads to the surface.

Part Number: 97594

Properly maintaining your play surface with Shuffleboard Wax is the most important part of playing the game. Black Ice Shuffleboard Wax is a powder made with tiny silicone balls. Simply add a light coat of Shuffleboard Wax to your table's playing surface to keep your game top-notch and lightning fast!

SHUFFLEBOARD BLACK ICE WAX SPRAY

NOTE: Use caution when spraying especially on hardwood floors. The overspray can become slippery if not cleaned properly.

Part Number: 97595

Specifically designed for shuffleboard tables, Silicone Spray is an essential item for maintaining your shuffleboard's speed & playability. A light coat helps eliminate wax track and adds a punch of excitement to your game. A must have shuffleboard accessory for any player.
