GAS LIFT GAME CHAIR

Find comfort and style in the Legacy Sterling Game Chair. This game chair features both a modern and rustic look with a semi-exposed back, yet provides the comfort needed for a long night of cards with its generously cushioned bi-cast leather seat.

Heavy duty casters ensure the chair will function on all floor surfaces including thick carpet. The wheels have a neoprene "tire" on them to prevent scuffing of hard surfaces. The chair allows you to either lock it in the forward position or unlock for a slight tilt backwards.
