

## **Maruto® semi-barbless (Grabber Hook™) Acceptance**

**STATE OF ALASKA**

June 24, 2014

Mr. Lumsden,

Thank you for providing samples of the Maruto hooks for our reference. ADF&G staff have conferred with Department of Public Safety and in our view the Maruto hooks you sent, in their current design, do not meet the definition of a barbed hook and would be allowable gear in a State of Alaska barbless hook fishery.

Thank you and feel free to contact me with any follow up

Matt
