GUITARPRO CONTROL MODE

WORK MORE EFFICIENTLY WITH HANDS-FREE CONTROL FOR GUITARPRO

The Elmore Pedal - GuitarPro Control Mode

The Elmore Pedal takes the power of a GuitarPro to a whole new level by enabling handsfree control, making music production and audio engineering sessions even easier, more efficient, and more enjoyable. With the ability to control GuitarPro without using your hands, you can stay fully immersed in the creative process, focusing on the music and enhancing your workflow. With your Elmore Pedal, you now have the freedom to control GuitarPro with your feet, allowing you to concentrate on the details and nuances of your music.
