

LOGICPRO CONTROL MODE

WORK MORE EFFICIENTLY WITH HANDS-FREE
CONTROL FOR LOGICPRO FOR MAC

The Elmore Pedal - LogicPro Control Mode

The Elmore Pedal takes the power of a LogicPro to a whole new level by enabling handsfree control, making music production and audio engineering sessions even easier, more efficient, and more enjoyable. With the ability to control LogicPro without using your hands, you can stay fully immersed in the creative process, focusing on the music and enhancing your workflow. With your Elmore Pedal, you now have the freedom to control LogicPro with your feet, allowing you to concentrate on the details and nuances of your music.

Compatibility: Mac

Requirements: Our pedal works with MacOS

	Logic Pro (MacOS)
<i>Actions</i>	<i>Functions</i>
