WHAT'S YOUR SIGNATURE?

Bows, studs, an ankle strap? Choose a secret color for the lining or go for a classic drawstring bow. You decide how bold you want to be.

STUDS

Our most popular signature is studs. Big or small. Gunmetal, Silver, or Matte Black.

GROSGRAIN BOW

Who says you're too old for bows? Bows are timeless at any age. The older the better.

TRIM

Feel like your flats are missing something? Try a trim. Mix or match colors. Works on Roma, Venezia, Torino, Milano, Trento, and Bergamo.

DRAWSTRING BOW

Classic ballet flat bow with grosgrain trim. Perfect for the Roma and Venezia.

ANKLE STRAP

For a chic look, mix and match colours. Wear with loose pants. Works on Torino and Siena.

BACK STRIPE

Add a simple pop of colour with a racing stripe. Perfect on a Torino, Roma, Venezia, or Como.

TOE CAP

VIAJIYU loves a splash of colour on the toe: matching or contrasting.

BACK CAP

Protect the back of your flats when driving with a back cap.

LINING/ FODERA FUR

If you live far north (or south), go for fur inside. Who needs red soles when you can have a signature color inside?

SWAROVSKI

Work with our team to create a one-of-a-kind design in Swarovski crystals.
