

# PRE-PRO HELLO!

## YOU BELONG HERE

We are so excited to work with you! Here is a form to help us all communicate, collaborate, and have a great time working together on set.

For the following questions, please note the casting call description to make sure this shoot concept is within your comfort. We may be able to make accommodations to ensure we shoot you in hair/makeup/wardrobe that reflects the true everyday you. But for specifically themed shoots we may not be able to and want to avoid any feeling of dysphoria which may occur if you enter onto a set which doesn't reflect your personal identity! If you discover that this shoot isn't your style, this isn't the end of the road. We will always consider you for future TomboyX shoots. We are so looking forward to working with you!
