

Pre-production hello!

You belong here.

We are so excited to work with you! This form is to help us all communicate, collaborate, and have a great time working together on set.

For the following questions, please note the casting call description to make sure this shoot concept is within your comfort. We will make accommodations to ensure we shoot you in hair/makeup/wardrobe that reflects the true everyday you. If you discover that this shoot isn't your style, this isn't the end of the road. We will always consider you for future TomboyX shoots. If you forget to put anything on this paper, it's ok to let your liaison know on set. We are so looking forward to working with you!
