Instructions

Take 10mins or so to wind up each skein into a ball. This will prevent any crazy knots forming in the yarn as you're knitting. Be sure not to wind too tight!

Using 7mm knitting needles, cast on 35 stitches.

Row 1 *K1, P1; repeat from * to end

Repeat Row 1 to form the pattern.

Knit to end of each skein, approx. 95 rows.

Tie on next colour and continue knitting pattern.

Cast off loosely.

Sew in ends.
