

BERSERKER QUANTUM PLATE CARRIER

PN: K1306-MC

PRODUCT DETAILS:

Using MATBOCK Ghost material, this carrier is not only tough but extremely **lightweight** at only **1.04 lbs**, **100% waterproof**, and the Ghost material will quickly **transfer heat** away from your body.

This is a perfect kit for when transitions are critical to mission success and you're tired of carrying extra weight or straps to make your transition kit work.

The MATBOCK Berserker Quantum was designed to seamlessly transition between situations needing armor protection and those that do not.

STEPS TO TRANSITION:

- 1) Remove the pins in the shoulder release system.
- 2) Unclip the right (or left) rear buckle.
- 3) Slightly lift the right (or left) cummerbund and pull plates down while separating the Rhodesian.
