The Scented Wardrobe Recipes

Linen Water Spray

Linen water is a water-based linen and fabric refresher that can also be used as an ironing aid, deodorizer and wrinkle-reducer.

Ingredients

Mix 4 parts water to 1 part witch hazel
Add 15-20 drops of your preferred essential oil
Shake to combine*

**Distilled or our favorite, rose water
** Shake prior to each use for best results!*

Herbal Sachet

This multicultural remedy has been used for centuries and is perfect for freshening up wardrobe drawers and closets.

Recipe

Fill a linen or silk sachet with a mixture of dried herbs. We recommend: lavender buds, peppermint, thyme, eucalyptus, cedar chips, bay leaves and myrrh. For a decorative touch and to make sure sachet is properly sealed, sew the top closed.

Laundry Softener

Our laundry booster helps lift and wash away dirt and other stains from clothes, making your wash cycle even more efficient. It also serves as a great fabric softener and deodorizer.

Recipe

*In a jar of choice, add one cup of Epsom Salts
Sprinkle up to 15 drops of your favorite essential oil(s)
(don't forget you can mix and match scents!)
Allow essential oil to fuse thoroughly with salts
Add in the cup of baking soda and mix well
Use 1/4 cup of mixture for all machines*
