Cory Scratch-Brite Restorer

A one-step wonder for all wood surfaces that need rejuvenating. It colours and blends surface scratches while adding moisture and a beautiful, long lasting luster.

Its superb blending ability spans from dark oak and walnut to light oaks. Simply wipe onto finish, let it penetrate, then buff with a clean cloth to obtain a smooth deep shine. Give new life to instruments, hardwood floors, antiques, and much more.

\$29.90 (235mls bottle)

Cory Super High-Gloss Piano Polish

If you have a high gloss piano finish, this polish is simply the easiest and safest polish to use! It is specially formulated to clean and protect high-gloss polyester, polyurethane, and lacquer finishes in one easy step. Use Super High-Gloss Polish as often as desired to eliminate fingerprints, smudging and static that attracts dust. Special UV Shield protection helps prevent fading and surface deterioration. Designed for use with the Cory Polisher Cloth product #PC-1.

(Also available for satin finish pianos)

\$29.90 (235mls bottle)

Teachers!

For your students:

Practice Diary, from Paul Harris, the creator of the Improve Your Sight-reading and Improve Your Teaching series. A brand new practice diary which is so much more than a practice diary... **\$6.50**

The latest edition of the **Oxford Dictionary of Music**, 6th Edition. A handy reference with actual printed pages!! Such a novelty these days but so useful! **\$45.00**

For you OR your students:

The **Foundations of Technique** is a brand new book by Murray McLachlan (senior piano tutor at the Royal Northern College of Music) which explains the technique required to put into practice everything that you wish to do at the piano.

Useful as a refresher for teachers who would appreciate a new way of looking at things and a great read for advanced students looking to begin teaching.

\$37.50 inspection copy in-store with 2-3 week supply eta for orders
