The history of classical violin music has many lovely works to offer for this instrument. *La Follia* provides an extensive and varied selection of 25 moderately demanding original compositions from the standard repertoire for violin and piano for advanced students to use in lessons and performances.

The material featured ranges from the Baroque era to the 21<sup>st</sup> Century. Fingerings, tempo suggestions and advice on playing ornaments have been added to this collection. *La Follia* is thus not just a compendium for use in lessons, for school concerts or youth music competitions, but a treasure for lovers of classical violin music.
