

Ellis Office Chair

laura

The Ellis chair showcases modern styling and adjustable comfort for the work space. This contemporary office chair provides a wide range of ergonomic adjustments to fit your body and seating preferences. The poly-cotton wrapped foam seating surface provides seated comfort, while the polypropylene plastic backrest offers cool breathability. A perfect chair across home, office, and conference room environments.

Highlights & Details

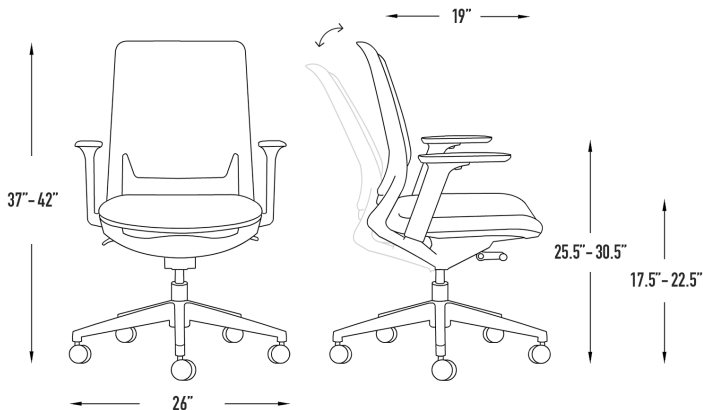

- A comfortably firm seat made of poly-cotton foam that is the perfect balance between firm and cushioned.
- Breathable but firm backrest that keeps your back cool all day.
- Full adjustments include height, recline, and armrests.
