

# Lenox Desk

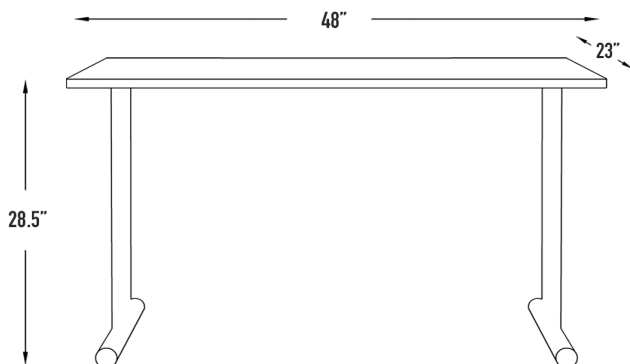

**laura**

The Lenox Desk is perfectly designed for today's minimalist work spaces with a solid, Malaysian Oak table top and black steel base for wobble-free stability. The two-piece base creates a uniquely spacious profile in any room, while the Malaysian Oak is rated as an environment-friendly and sustainable wood. Supporting 300 lbs without sagging, the single piece top will last for many years to come. The Lenox Desk also includes two slots for efficient cable management and is CARB P2 certified, so you're not breathing in harmful carcinogens which can be found in cheaper tables.

## Highlights & Details

- Single piece top is CARB P2 certified and made from sustainable Malaysian Oak, supporting up to 300 lbs.
- Two simplified cable slots for cable management in any office configuration.
- I-Frame steel base creates a more open workstation, minimizing the desk's footprint.
