

# AUTUMN NEWSLETTER 2018

**Volunteer For Us** - We are looking for selfless volunteers to help us create the bespoke service we provide for young adults with ASD. Are you looking to volunteer and make a positive, significant difference? Please contact us with the details below for a chat and application form.

**Artist of the Season** - Our artist under the spotlight is the late Vix Bates, who sadly took her own life earlier this year after being let down by mental health services. Her family wish us to continue to sell her artwork and crafts, and 100% of profits will go towards her family for their funeral fund. We have felt so honoured to have been able to display and sell her fantastic and unique art and her wonderful crafts in Polly's Place Gift Shop and Artism Gallery.

WE HOPE YOU  
HAVE A  
WONDERFUL  
AUTUMN  
FROM THE  
AUTISM TRUST
