

Clayscapes Pottery Market at the Hafner's Fall Festival October 5th and 6th, 2019

Thank you for your interest in the 3rd annual Clayscapes Pottery Market. We will be collaborating with Chuck Hafner's at their state of the art Garden Center which includes 65,000 square feet of retail space, a 7-acre nursery and 4 acres of greenhouses. The Clayscapes Pottery Market will be held during the first weekend of their month-long Fall Festival, occupying the 2 main greenhouses.

- Clayscapes will be doing extensive advertising via local TV and Radio. Hafner's will also be advertising our Pottery Market alongside their Fall Festival.
- The event space is an enclosed greenhouse so potters should plan for an indoor booth.
- Round the clock security is provided.
- Plenty on-site, free parking for potters and customers.
- Dependable Wi-Fi.
- Full working bathrooms.
- CoreLife Eatery, Local Food Trucks, and The Ice Cream Stand are all located on site for a wide variety of food options.
- The Fall Festival is lively, popular and colorful – providing a perfect backdrop for our market.

Jury Process

- With your application please include 3 current images of your work and 1 of your booth. (specifications listed on application)
- The jury will be looking for a variety of potters focusing on craftsmanship and quality of display based on images provided.
- Applications without images will not be considered.
- Applicants may be placed on a wait list and contacted if cancellations allow.
- Only work that is handmade by the potter will be considered; manufactured/commercial work or reproductions are not suitable for this event.
