

Optional Hazard Add-On Instructions

If you purchased the **optional Hazard kit**, you will plug it in-line between the control box and the column-mounted turn signal switch. Make sure you have ordered the correct rocker switch shown below as there are 2 different versions.

Most Side by Sides will have this **Standard Hazard Rocker Switch** for your dash blanks

SKU: PTSK-8009

Polaris Ranger models will have a **"L" Series Hazard Rocker Switch** for your dash blanks.

SKU: PTSK-8010
