

Infinity

Model Number: NF3UBB

FEATURES

Infinity offers a wide range of features that enhance the user experience and ergonomic benefits — all packaged within a timeless, beautiful and minimal aesthetic that complements a wide variety of interiors and spaces.

- Single LED light source casts just one shadow
- Large-array multi-chip LED technology provides highest efficiency and quality light to achieve 1500 lux (150 foot-candle) illumination
- Constant torque ‘Forever Hinges’ ensure stability and eliminate the need for adjustments, even after a decade of use
- User control indicator lights fade after adjustment to reduce visual clutter
- PIR occupancy sensor senses body heat to automatically shut off when no one is present
- Dimming feature offers nine levels of brightness and remembers preferred user settings
- Offers a variety of mounting and base options
- Nightlight feature provides an ultra-low light setting with occupancy sensor disabled
- Exterior color provided by durable film and polished natural aluminum
- User interface utilizes the same touch technology as smart phones for easy and intuitive use
