

Mentor - Mesh back

SafeTex

Endorsed by:

Buro Mentor chair with arms - Cobalt SafeTex With optional arms and headrest

Introducing the Buro Mentor with SafeTex antibacterial upholstery. Buro SafeTex upholstery contains a surface inhospitable to key bacteria and mould, making this a weapon against staining, unpleasant and premature degradation that can affect the durability, lifespan and hygiene of your chair.

Buro SafeTex fabric includes an anti-bacterial additive which is applied to the fabric texture by the textile mill during the dyeing process, thereby providing an anti-bacterial efficacy which prevents the presence or growth of key bacteria.

Seat size: 515w / 480d
Seat height: 475-595
Seat depth range: 425-475¹

FEATURES

- Featuring exclusive 'Buro Dynamic Intelligence' seating technology
- Buro SafeTex antibacterial upholstery
- Synchronised seat & backrest angle with 4 position locking adjustment
- Superior self weighting tension adjustment, adjusts automatically
- Depth adjustable seat slide
- Black nylon base
- Adjustable lumbar support
- 60mm soft PU castors
- AFRDI 142 Certified to 135kg - Single Shift operations
- Contoured Polyurethane moulded foam

OPTIONS

- Height, depth & angle adjustable arms
- Customer specified fabric (seat only)

BURO QUALITY ASSURANCE

¹ Measured from the back lumbar to the seat front edge.

Static Load Testing: Furntech - AFRDI approved for users up to & including 135kg. *Static Load tested to 410kg
*Any Static Load test is a strength test which simulates higher than normal dynamic loads that may occasionally be applied to a chair by the user.

AFRDI Standard: AFRDI 142 - rated loads for office swivel chairs at 135kg - Single Shift operations.

Material Analysis

Buro Seating acknowledges its responsibility to develop environmentally sustainable products and business practices and consequently is committed to growing our range of chairs which are manufactured from recycled and/or recyclable materials. Buro's environmental management system (EMS) provides the framework for managing our environmental strategy;

MAIN PRINCIPLES

- To design products and processes that utilize minimal raw materials.
- To design products with a minimum end of life recyclability of 80% in NZ and Australia.
- To reduce, reuse and recycle waste.
- To develop an understanding of legislation relating to the environment and affecting the activities of our company.

Buro is committed to developing a "cradle to grave" process for all seating products wholesaled in NZ and Australia.
