Downloading and Extracting the eBook and Digital DVD Content

- A. Download the compressed (ZIP) file named 'ContactBundle.ZIP' by accessing the URL provided after successful store checkout.
 Note: An e-mail with the URL is also sent.
- B. Extract the ContactBundle.ZIP file to a location of your choice (be sure to remember the location of where you extracted the contents of the ZIP file)
- C. The extracted contents will appear as two folders shown below:

📙 Contact eBook	Contact eBook in PDF Format
VIDEO_TS	Contact DVD Digital Version

Accessing the eBook

The eBook is in the 'Contact eBook' folder and is a PDF file which can be viewed on your device or e-reader. (Refer to Section C. above)

Accessing the Digital DVD Content

VLC is a free and open source cross-platform multimedia player and framework that plays most multimedia files as well as DVDs, Audio CDs, VCDs, and various streaming protocols.

https://www.videolan.org/vlc/

- 1. Download VLC Media Player
- 2. Open the VLC setup wizard to install the software.
- 3. Next, launch the VLC software.
- 4. Click **Media** at the top left of the VLC window to open that menu.
- 5. Select the **Open Folder** option and select the folder of where you extracted the downloaded content.

Me	dia	Playback	Audio	Video	Subtitle	Tools	۷
Þ	Ор	en File	Ctrl+O				
Þ	Open Multiple Files				Ctrl+Shift+O		
	Open Folder				Ctrl+F		
⊙	Open Disc				Ctrl+D		

6. Then select the Video_TS folder to import into VLC.

Open Folder	
Organize New folder	
VIDEO_TS	
Folder: VIDEO_TS	
	Select Folder

- 7. Press the **Select Folder** button.
- 8. Then click the **Play** button to playback the video.
