naturals

FACIAL CLEANSER

Tata Harper Regenerating Cleanser. It melts away dead skin with apricot powder, cleans pores with pink clay, and helps treat blemishes with willow bark. (And it's all wrapped up in a recyclable glass bottle.)

FACIAL MOISTURIZER

Drunk Elephant Lala Retro Whipped Cream. It's hard to resist slathering this ultrarich lotion all over your body, but the pump delivers measured doses to encourage self-control.

FACIAL SUNSCREEN

Drunk Elephant Umbra Sheer Physical Daily Defense SPF 30. Zinc is the industry standard in nonchemical sun protection. It's also chalky...at least until this stuff came along.

BODY LOTION

Alba Botanica Very Emollient Body Lotion in Original. Green tea calms skin while aloe vera undoes dryness without leftover greasiness.

BODY SUNSCREEN

Alba Botanica Hawaiian Sunscreen Green Tea SPF 45. You can avoid the sunburn entirely and still get a dose of skin-nourishing aloe vera.

SHAMPOO AND CONDITIONER

Carol's Daughter Black Vanilla Moisture & Shine Sulfate-Free Shampoo and Hydrating Conditioner. The ultimate in moisture, this duo is great for sensitive scalps and frizz.

STYLING CREAM

Aveda Smooth Infusion Naturally Straight. Consider this hair Xanax. Just finger-comb it through, blow-dry, and watch the tension fall away.

MASCARA

BareMinerals Flawless Definition Mascara. You'll have length and volume (but no smudges) all day.

Burt's Bees Lipstick in Juniper Water has a natural formula that sticks around.
