Winter Skin ADVISORY!

CELEB AESTHETICIAN JEANNEL ASTARITA SHARES HOW TO KEEP YOUR YOUTHFUL GLOW COME RAIN, WIND OR SNOW!

Michelle Monaghan steps out into a winter wonderland looking fresh-faced.

Snowy Day ❄️

Between freezing temperatures and harsh indoor heat, the fluctuations in temperature wreak havoc on the skin. "To keep it healed and hydrated," Jeannel advises, "you need to layer on potent products that are rich in lipids and ceramides."

This all-natural skin hero does double duty as hand cream and body lotion
Weleda Skin Food, \$19, usa.weleda.com

Snow can reflect almost 90 percent of UV rays, so make sure to slather on the SPF

La Roche-Posay Anthelios Clear Skin Dry Touch, \$20, laroche-posay.us.com

This balm contains peptides, plus Marula and Mongongo oils. "It's the best one I've ever used," says Jeannel.

Drunk Elephant Lippe, \$18, sephora.com

Nix winter dull-drums! This powerhouse mask restores radiance fast
