Limitation of Liability (Read before use)

Failure to read or follow instructions, warnings or labels on a product can result in physical injury or damage. Arizer and affiliated companies will not assume any liability for injury or damage resulting from the use of misuse of the device. Due to the highly interrelated nature of glass, Arizer and affiliated companies are not responsible for product or glass related damage. As such, the device is subject to the same conditions as glass associated with lithium batteries. If you do not agree with these conditions, return the product immediately.

This product is intended for use with the botanicals described herein - Arizer and affiliated companies are not liable for use with other botanicals. New botanicals are released from time to time. Check for damage before use. Do not use any product that shows damage. Damaged products introduce risk associated with lithium batteries. If you do not agree with these conditions, return the product immediately before use.

IMPORTANT - Check local laws. Not all essential oils, botanicals and herbs are legal for use in every country or state. Check your Local, State, Federal and International laws before ordering botanicals. This device is meant for legal use only.
