

K3 lectern

Modern lecterns - now for you

Modernize your image and enjoy

We could all use a bit more of self-control when speaking in front of an audience. Have a surge of confidence and feel the power of the moment. Let the K3 lectern be your discreet bodyguard in a dark suit. A warm charcoal color, almost black, all-aluminum, K3 embodies power and self-control.

This is a perfect podium for giving conferences, public presentations or speeches. Simple to use, lots of nice options. (Assembly required).

(shown with LED reading light available as an option)
