

TWICE AS NICE.

Quality and Value

"The Original" Squeegee

Rust-proof, stainless steel 12" squeegee features professional quality rubber blade for guaranteed streak-free cleaning. Original Ettore design patented in 1937.

Mighty Washer

Ergonomic, eye-appealing blue handle with removable, non-linting cover in convenient 10" size.

Fast and Easy

Hardworking washer quickly removes surface dirt while precision edge squeegee cleans windows to a streak-free shine. Better results with less effort than any other method!

Economical & Ecological

Reusable, machine-washable window scrubber delivers more cleaning power than paper towels or sponges.

Lifestyle Packaging

Our "Enjoy the View" theme shows the results, not the work! Complete how-to information on back, plus detailed instructions, tips and testimonials on our website.

Our Professional Window Cleaning Kit combines "the Original" best selling squeegee with a best selling Window Washer on one space-saving package. This proven combo pack gives your customers the same tools professional window cleaners throughout the world have used for decades. Now, consumers can get the same streak-free results to enhance the beauty of their home, guaranteed!
