## Includes the Works

### 3-in-1 Tool

Our best selling squeegee and washer combo tool with 11' Interlock™ extension pole provides a complete window cleaning solution.

### Fast and Easy

The fastest window cleaning tool available. Simply scrub, turn the handle and squeegee without changing tools.

### Extended Reach

No need for a ladder, 11-foot Interlock™ extension pole is perfect for hard-to-reach windows. Standard threaded tip makes this a multi-use tool all by itself. Closes to under 6 feet for convenient storage.

### Guaranteed Results

Streak-free squeegee features Ettore professional quality rubber.

### Economical & Ecological

Reusable, machine-washable window scrubber delivers more cleaning power than paper towels or sponges.
