

SELLS LIKE MAGIC.

Designed for Women

Eye Appealing Color

America's favorite color,* our translucent blue is just for her.

Fast and Easy

Two tools in one, the Window Wand combines our best selling squeegee and scrubber in a single product.

Professional Quality Results

Guaranteed streak-free squeegee features Ettore quality rubber.

Environmentally Friendly

Washable and reusable White Glove™ window scrubber delivers more cleaning power than paper towels or sponges.

Safety First

No need for a ladder, extension pole extends reach up to 5 feet. Foam grip provides comfort and control.

6 per case

Finally, a female-friendly window cleaning tool. Introducing Window Wand™, the fast and easy way to clean glass. Eye-catching color and packaging will enchant her, but the real wizardry is in the professional-quality rubber squeegee blade. There's no hocus-pocus behind the Ettore guaranteed streak-free system. Now you can

offer a product designed exclusively for this important customer segment. The sales will leave you spellbound!
