

WE DO WINDOWS

THE BEST WAY TO CLEAN SCREENS

Clean Screens are moist towlettes specially formulated to attract dust and dirt. With a patented weave design, cloths will not disintegrate or leave lint when wiping over screens. The wipes can be used from the inside or outside of a window so there is no need to remove screens to clean. With no harmful cleaning agents, this product is safe on aluminum and vinyl screens as well as painted surfaces. Now you can offer your customers the easiest way to clean window screens and tracks.

Works great on:

- Window Screens
- Sliding screen doors
- RV or mobile home screens
- Retractable screens
- Vents
- Ceiling fans
- Blinds
