50 inch long Grip'n Grab!

Once your customers pick up Ettore's Grip'n Grab™, they won't put it down. This multi-purpose pick-up and clean-up tool is great for use in the home, around the yard, provides help for the physically disabled, even adopt-a-highway! Comfortable handle and rubberized jaws allow for easy retrieval of objects high and low. Now consumers can say goodbye to hand, arm, back or knee strain when they extend their reach with the Grip 'n Grab.

Highly Rated by Consumers*

Extends Reach by 4 Feet
Safely access high shelves and cabinets without a ladder.

Ergonomic Handle
Comfortable cushion grip reduces repetitive motion fatigue.

Rubberized Jaws
Easily grab small objects and securely hold up to 5 pounds.

Articulating Head
Swivel head turns 90° to access hard-to-reach or awkward spaces.

Rust-Proof for Outdoor Use
Remove debris from pool, pond or fountain. Clean up litter and fallen leaves.

Sleek Profile
Store easily in pantry, garage or shed.

**Recipient of Handyman Club of America seal of approval*

Rubberized jaws grab and hold small objects

Articulating head reaches tight spaces.
