## THE GREEN WAY TO CLEAN THE POWER OF MICROFIBER!

## **Chemical-free Cleaning**

No chemicals needed - use with plain water.

## **Environmentally Friendly**

Machine washable and reusable cloth means no waste to throw away after use.

## An Array of Colors and Textures

Use different colors and textures for the various surfaces throughout the home.

Ettore's MicroSwipe microfiber cloths are the easiest, fastest and greenest way to clean household surfaces. Our highly absorbent cloth cleans without chemicals by utilizing friction, static electricity and capillary action to absorb and remove micro-particles, dirt, oil and moisture. We offer these in an array of colors. We also have a full line specially designed to clean stainless steel, wood, glass and more.
