Built-in Snow Ice Scraper

Foldable Head

Improved with new capabilities!

Telescopic Auto Squeegee is designed for the general needs of auto window cleaning. This product has an extension pole for easy reaching, and it doesn't not scratch glass surfaces. It can be use on cars, boats and more! The new snow ice scraper feature on top of the squeegee head is great for scraping ice and snow.

TELESCOPIC AUTO SQUEEGEE

Single Sponge Scrubber

The benefits of having a single sponge head makes it easier to distribute an evenly force on the glass for better cleaning. Tough nylon netting for easy bug and tree sap removal.

Foldable Head

This product features a unique foldable head for easy storage and transportation.

Versatile Extension Pole

Standard threaded extension pole with comfort foam grip can be used with paint rollers, dusting attachments and other household tools. Extends to 7 feet.

Cleans Multiple Surfaces

Perfect for hard to reach motor homes, cars, SUVs, boats and more! It also has a snow ice scraper feature on top for scraping ice from the windshield.
