# HOLIDAY GIFT GUIDE

2023

# HAPPY HOLIDAYS FROM THE McCREAS.\*

## DEAR FRIENDS,

A gift should be a joy to both the giver and the receiver.

At McCrea's Candies, the flow of caramel from our kitchen, through our candy wrapper, into our lovely packages, and onto the loading dock is also a flow of care from us to our customers. Choosing a McCrea's gift to help you celebrate the milestones and successes, and show appreciation, of your friends, employees, and clients honors us. We get to dwell in gratitude.

Giving gifts with ease is important. Our gifting experts are here to

make it easy to send gifts to everyone on your list. The McCrea's team will work with you one-on-one to help you select the right gift for your budget. Select from bulk gifts for events, direct ship to your recipients, or shareable options for the office. Perhaps you also want a birthday program? Your McCrea's concierge can set that up as an auto ship so everyone receives their gift on time. All items are customizable and can include a gift message that conveys your personal sentiment to the recipient.

We look forward to working with you and thank you for your business.

Wishing you a happy holiday season,

- Kate & Jason and the entire McCrea's Candies team

# GREATEST GIFT BOXES

MCCREA'S CANDIES HAS PARTNERED WITH THESE FELLOW MASSACHUSETTS MAKERS, ALL OF WHOM SHARE OUR COMMITMENT TO QUALITY AND TO OUR COMMUNITIES, TO BRING YOU THESE UNIQUE GIFT ASSORTMENTS FOR THE HOLIDAYS.

**HYDE PARK, MA**  
Back in Nova Scotia, Effie MacLellan learned a generations-old, family farmhouse recipe for biscuits (known as oatcakes) that she carried to her new home in Dorchester, Massachusetts. Effie's daughter Joan, along with her longtime friend Irene, launched Effie's Homemade to share the oatcake tradition with an eager public.

**NORTH TRURO, MA**  
Katherine Reed and Josiah Mayo launched Chequessett Chocolate after a trip Costa Rica, where they encountered rustic chocolate making executed on an open air patio with a basic set of equipment and the simplest of ingredients. Inspired by this experience, they handcraft their chocolate in small batches from fine-flavor, sustainably grown cacao beans.

**SOMERVILLE, MA**  
Q's Nuts was founded by Brian and Beth Quinn with the simple philosophy that high quality ingredients, a love of good food and a passion for creating in the kitchen would produce some of the best tasting nut roasts around. They use raw organic cane sugar, as well as organic chocolate, pure spices and natural flavors in all of their roasts.

**EASTHAMPTON, MA**  
Prosperity Candle is a social enterprise that supports refugees and artisans through candle-making. Their handmade candles are created by a woman artisans building a brighter future for herself and her family using all-natural soy & coconut waxes, pure cotton and wood wicks, and premium fragrances made with essential oils.

**SOMERVILLE, MA**  
Taza founder and CEO Alex Whitmore took his first bite of stone ground chocolate while traveling in Oaxaca, Mexico. Taza stone grinds organic cacao beans into perfectly unrefined, minimally processed chocolate with bold flavor and texture. They maintain direct relationships with their cacao farmers and pay a premium above the Fair Trade price for their cacao.
