

maxill KWIKY

WATERLESS ANTISEPTIC HAND SANITIZER GEL

Product Description

maxill Kwiky is a topical antiseptic hand cleansing gel that is effective in destroying certain bacteria and removing impurities to provide antiseptic cleansing. Use as needed throughout the day as a part of a daily cleansing routine.

Directions:

Apply 2 to 3 mL of product to clean and dry hands. Rub onto all surfaces of the hands thoroughly and allow to dry. Use product to supplement regular hand washing, but not as a complete substitute.

External use only.

Kwiky contains 70% v/v isopropyl alcohol.

Avoid contact with the eyes. If contact occurs, flush eyes with water. If irritation develops, discontinue use and consult a health care practitioner.

Physical Data:

Clear, colourless gel; isopropyl alcohol odour

Product Availability:

60 mL Tube	#62231
500 mL Pump Bottle	#62201
