

Tentsile Tree Tent Reminders:

1. Contact your park and discuss available campsites and tree health in the area.
2. Visually assess the location for healthy trees that are at least 15 inches in diameter.
3. Pack it in, pack it out; including all packaging that may have come with your Tentsile.
4. Always use tree protector wraps and straps.
5. Use the designated fire pit, pitch your tree tent at a safe distance away from your campfire and put your fire out before leaving your site.
6. Do not disturb wildlife when choosing the anchor trees.
7. Keep all straps within your allocated campsite.

Leave No Trace Seven Principles:

1. Plan Ahead and Prepare
2. Travel and Camp on Durable Surfaces
3. Dispose of Waste Properly
4. Leave What You Find
5. Minimize Campfire Impacts
6. Respect Wildlife
7. Be Considerate of Other Visitors
