

***Blood Conviction***

Author bio

S. M. Saunders pulls from decades of experience as a forensic lab technician in her debut novel, *Blood Conviction*. The crime thriller explores the complex dynamic between investigators, technicians, and lawyers during a criminal trial and examines how flaws in the system can lead to wrongful convictions. Saunders lives in Colorado with her husband, three children, and two dogs. She is currently writing the sequel to *Blood Conviction*, to be published in the coming year.
