the Book	http://[redacted].com/	Abby	http://[redacted].com/contact/	Crime Fiction	[redacted] the Book is the result of one girl's ongoing exploration of crime fiction from around the world, by the book. This book review blog operates under the premise that there is a crime read for everyone. My favorite aspect of the crime fiction genre is how expansive and elastic it is: a crime book can include elements of classic literature, romance, historical fiction, action, drama... you name it, there's a crime book that has it. No matter your literary preferences, I can almost guarantee that there is a crime book that will reflect your particular tastes. This makes crime fiction an exciting, ever-changing genre to explore, and I'm thrilled to be connecting with and creating new crime readers every day.
Between [redacted]	https://[redacted]bookblog.com	Cathy	https://[redacted]bookblog.com/contact-2/	Contemporary Fiction, Romance, Thriller, Crime	Books have been a constant throughout my life, and I love sharing the ones I've enjoyed with others. I've been writing reviews and blogging about books I've enjoyed for a few years now, and I still find it very satisfying and pleasurable. Apart from anything else, it's a good way for me to keep track of the books I read and listen to. If it's helpful and/or enjoyable for others, so much the better.

[redacted] blog	https://[redacted].com/	CJ	[redacted]@yahoo.co.uk	Crime	I review mostly crime fiction and am happy to read both paperback and kindle versions. Unfortunately, although I try to review all books I receive, I cannot guarantee to review every book unless I have agreed in advance to post on a specific date or am part of a blog tour. Please note I do not charge for reviews and do not sell any ARCs I receive (although do pass some really good ones on to the Sister!)
[redacted] Book Blog	http://www.[redacted]bookblog.com/	Francesca	http://www.[redacted]bookblog.com/contact/review-policy	Chick Lit, Fantasy, Horror, Mystery, Sci-Fi, Steampunk, Thriller, Young Adult	Books have the power to unite people, and that is exactly what happened with us! Our love for books brought us together, and we've become good friends in a short amount of time. We met online through Goodreads and decided to share our passion for books with fellow book lovers. And that is how [redacted] came to be.
Crime Fiction [redacted]	https://[redacted].com/	Garrick	https://[redacted].com/contact/	Crime Fiction	Crime Fiction [redacted] was set up by two journalists who love reading crime stories – everything from atmospheric noir to thriller mysteries and police procedurals. The rise of Kindle, eBooks and eBooks interests us a great deal. We hope to discover and share some of the best reads on these new formats, but by no means will we overlook traditional print. There's nothing like the feel and smell of a freshly printed book.
[redacted] Pages	https://[redacted].wordpress.com/	Janel	https://[redacted].wordpress.com/contact/	Crime, Mystery, Thriller	I'm Janel, the author behind [redacted] Pages. I'm crime fiction obsessed, so much so I decided to create this blog to share my love of the genre. I do read outside of the genre occasionally, but my heart lies with crime, mystery & thriller novels. The majority of books reviewed on this blog are ones I've enjoyed and would recommend. Of course, not every book works for everyone, so you may see the occasional review for a book I didn't enjoy.

I tend to keep away from chick lit and erotica, but if forced at gunpoint, I may give just about anything a read.
