Coravin: Enjoy The Wine You Desire Without Pulling the Cork

The Coravin system allows you to sip, share and enjoy fine wines without pulling the cork.

Serve fine wines by the glass without fear of oxidation or wastage.

“Coravin is the most transformational and exciting product for wine lovers that has been developed in the last 30+ years” Robert Parker Jnr.

Every time I use Coravin in the restaurant, I get a thrill - I know that someone is having an exceptional glass of wine. I love using it at the table, it's a piece of theatre and a real talking point. Customers are understandably sceptical until they see Coravin in use and taste the wines

we are accessing. This is without doubt, the greatest development in wine service I've ever seen.” **Ed Joliffe, sommelier at Chapter One Restaurant**
